

NEW YEAR PLANNING TOOL

Culture. How do I beat the overloaded culture that I live in? Where do I need to gain margin: Emotional, Time, Physical, Financial?

Ten-Year Focus. If I could accomplish only 3 measurable priorities in the next 10 years (that would make a 50% difference in my life-long contribution) what would I accomplish?

Primary Aim / Purpose. What would I like to be said about my life after it is too late to do anything about it?

Career. 80/20 Rule: Where do I need to focus my time? (What is the 20% that will yield 80% of the results?)

Character. Where does God continually seem to be changing me? (1-2 areas)

GOING INTO THE NEW YEAR

Single-Word Focus. What single word best captures the focus of my energy for the next year?

Opportunity.

Where was my greatest success last year?

Why?

What three steps could I take now to build on that success?

Measurable Goals for the New Year
